

## Course: Completion Design- Level 1 (code: TR-ENG-COMPL-001)

### *Course Overview:*

The Completion Design Level 1 is suitable for engineers, supervisors and students with no or minimum experience in completion operation. The course will give understanding of type of completions, completion equipment, how completion interacts with other disciplines.

### *Course Outcome:*

Upon completion the course you will gain knowledge about type of completions, completion equipment and completion operation. The pre-course and post-course exam will be part of the training.

### *Course Highlight:*

Combination of theoretical knowledge with practical exercises will help students better understand the subject.

## COURSE CONTENT

### Day 1:

#### ➤ **Type of Completions**

- Open Hole vs Cased Hole
- Horizontal Completion
- Single zone, multizone, multilateral, commingled
- Single Tubing, Dual Tubing.

#### ➤ **Completions Equipment**

- Lower Completion Equipment
- Upper Completion Equipment
- Wellhead System

#### ➤ **Completion Operations**

- Review of Completion Program
- Overview of Completion preparation

#### ➤ **Integration of Completion Engineering with other disciplines.**

- Examples of how Completion Design impact on other disciplines.
- Examples of how other disciplines impact on completion design.

## WHO SHOULD ATTEND

Completions Engineer  
Drilling Engineer  
Workover/ Intervention Engineer  
Completions Supervisor  
Drilling Supervisor  
Subsurface Engineer (Petroleum, Reservoir, Geologist)  
Material Coordinators  
Contract managers  
Students with major in Petroleum Engineering

## DURATION

- Course will take 1 day (~6 hours)
- Upon Requirement the course can be made in two days (3hrs each day)

## TRAINING STRUCTURE

- **Online:** Digital application will be used to deliver the training
- **Classroom:** Physical Classroom training will be held in the properly equipped classroom.
- **In-house:** Training can be performed at the client facility upon request.

## COST

- **Online Training:** Cost per student: see latest price in our webpage
- **Classroom Training:** Cost per student: please contact us for price clarifications
- **In-house Training:** to be agreed between parties.

*\*Corporate cost will be discussed based on number of students.*

## PAYMENT METHOD

- **Bank Transfer:**
  - please contact us for bank details
- **Online Payment**
  - Use book now button to book the training.

## CANCELLATION AND REFUND

We understand that unforeseen circumstances may arise, and plans can change. Here is our cancellation and refund policy for your reference:

- **Cancellation:**
  - Cancellation requests made 14 days or more before the training start date will be processed free of charge.
  - Cancellation requests made within 14 days of the training start date will incur a 50% refund.
- **No Refund:**
  - No refund will be provided for cancellations made 1 day before the training start date.
- **Rescheduling:**
  - Students have the option to reschedule the training up to 3 days before the training start date without incurring any additional charges.
  - In the case of emergencies, the company reserves the right to approve rescheduling for free.

We value your commitment to professional development and strive to accommodate changes whenever possible. Please contact our support team at [training@nexusofs.com] for assistance or to submit your rescheduling request. Thank you for your understanding.

## FAQ

- **Certification:**

Certificates will be granted at the end of the training:
- **Materials:**

Materials will be provided in digital format (paper free)
- **Maximum Students per class:**

The number of students per class will be limited to 10 (for classroom option) in order to make the training more effective.
- **Breaks and Lunch:**

Breaks and lunch will be agreed with the class.

➤ **What to bring:**

Papers and pens will be provided by the training provider (for classroom option)

➤ **Training Start Time:**

Students are asked to attend the venue 30mins before the start time for registration.

For any additional details please to contact us.
